**COMMERCIAL PROPERTY INSURANCE**

**FARMERS**

Hayek Insurance Inc. is a full service insurance agency including 35+ years of experience providing investors, real estate advisors, property management companies, escrows and commercial lenders throughout California with professional service and expertise. We have unlimited resources to get you the most competitive insurance rates with the maximum reduction of loss exposure to protect you and your investment.

Let us evaluate your insurance exposure and costs to determine if you are over insured or under insured, have an unnecessary coinsurance clause, or if you have made significant improvements to your property. Do you have sufficient business and personal liability protection? Other types of Insurance provided include Home, Personal, Health, Life, Business and other special purpose commercial real estate. Our typical Fire & Casualty policy does not have a coinsurance clause. For an initial consultation, call Lee O'Donnell at (888) 995-4725, or go on line.
